

LWCC Names Frank's One Of 'Safest 70'

(SAFETY NEWS) *July 1, 2010*- The Louisiana Workers' Compensation Corporation (LWCC) has once again recognized Frank's Casing Crew and Rental Tools, Inc. with the **LWCC Safest 70 Award** for 2009. This award acknowledges outstanding excellence and commitment to workplace safety. Frank's is proud to accept this honor for the third consecutive year, garnering the award every year since its inception. The company was selected based on the effectiveness of its safety efforts in preventing injuries and controlling cost.

Safety, a core value at Frank's, is a companywide commitment embedded in every aspect of the business. Frank's prides itself in continuously finding new and effective methods of upholding its dedication to safety, resulting in some of the most vigilant and prepared personnel in the oil industry. The company's pledge to safety is evident in its unprecedented hands-on training approach, specialized manufacturing equipment and its commitment to superior Quality, Health, Safety & Environmental policies (QHSE).

It is through this dedication to safety that Frank's is continually recognized as a QHSE leader in the eyes of its employees, customers, the industry, and associations such as the LWCC.

Congratulations on a safe year!
